PURPOSE: This Memorandum provides updated information regarding: 1) off-campus university library privileges for students enrolled in Advanced Placement (AP) and International Baccalaureate (IB) Diploma Programme (DP) courses; 2) conditional agreement of select universities to provide library services to AP and DP students; and 3) procedures to acquire university library service privileges for AP and DP students during the 2018-2019 academic school year.

MAJOR CHANGES: This Memorandum replaces MEM-5564.6 of the same subject issued on July 24, 2017. It provides the updated requirements of each participating university providing library services to students enrolled in AP and DP courses.

INSTRUCTIONS: I. BACKGROUND

Advanced Placement (AP) and the International Baccalaureate (IB) Diploma Programme (DP) are both highly respected by major colleges, universities and service academies throughout the nation. Each program is designed to enrich the high school experience and offer motivated students an excellent opportunity to prepare for advanced study, potentially earn college credit and place them on a trajectory to post-secondary success.

II. LIBRARY SERVICES

A. Five local institutions of higher learning have entered conditional agreements to provide library services to Los Angeles Unified School District (LAUSD) AP and DP students. Library services, which include access to physical and online resources in the library, are reserved for AP and DP students who have exhausted the print and technology learning resources of both their school and local public libraries.

- B. Although university facilities provide critical academic research not available at local sites, they are unable to accommodate entire classes of LAUSD AP and DP students. As such, AP and DP teachers and teacher librarians are to adhere to the following procedures:
1. AP and DP teachers submit to their teacher librarians a roster on school letterhead of all AP and DP students enrolled in their classes requesting access to one of the university libraries.
 2. Each student must select only one college or university library. The teacher librarian compiles a master alphabetical list of AP and DP students on school letterhead requesting privileges for each selected college or university. The student's legal name and date of birth must be included on the list submitted (Attachment A).
 3. The teacher librarian and the principal sign the roster.
 4. The principal forwards a roster of students listed in alphabetical order to the appropriate college or university library indicated below. For the fall semester, schools must submit the roster to the appropriate participating library by Friday, September 28, 2018, and for second semester by Friday, January 25, 2019. Participating colleges or universities will issue a library card to a student presenting appropriate photo identification.

Advanced Placement/IB DP High School Student Program Parent/Guardian Permission Slip

UCLA Library cards issued to advanced placement high school students are for use at the Powell and Research libraries only. To obtain one, students must bring a school-issued photo ID and this signed permission slip to the Powell Library Circulation/Inquiry desk. The student's name must appear on the current AP/IB DP student roster provided and maintained by the student's school.

Program Information

Students are limited to five circulating items at one time; they cannot check out course reserves and periodicals. The loan period is two weeks. Each item can be renewed once in person or online; however, online renewal is not available if the student has more than four books checked out at the time of the renewal.

The fine for overdue items is fifty cents per item per day for each day the library is open. The overdue fine for recalled items is \$5 per day for each day the library is open. If an overdue book is recalled, the \$5-per-day fine will be charged from the book's original due date.

Charges for items more than thirty days overdue include a \$90 lost item replacement fee, a \$10 invoice processing fee, and any applicable overdue fines. In addition, a block will be placed on the student's account, and students are responsible for any additional fines accrued while the block is in effect. The \$90 lost item replacement fee can be waived upon return of a lost item. The \$10 invoice processing fee and overdue fines are not refundable.

If books are not returned on time, either a fine or a replacement bill may be issued. The library sends two overdue notices as a courtesy but is not responsible for their receipt.
