PURPOSE: The purpose of this Reference Guide is to provide school staff with directions for completing the online California Department of Education School Library Survey for the 2016-2017 school year. All schools must complete the survey.

MAJOR CHANGES This Reference Guide replaces and updates REF-6621.1, titled *California Department of Education School Survey, 2015-2016*, dated March 29, 2017, to provide directions on completing the newly revised survey.

BACKGROUND: Education Code Section 18122 directs local governing boards to report to the California Department of Education (CDE) on the condition of school libraries. CDE created this online data collection survey to meet the Education Code requirement and to develop an accurate picture of the condition of school libraries across the state.

- INSTRUCTIONS:**
- I. COMPLETION OF SURVEY FOR LIBRARIES THAT SERVE ONE CAMPUS**
- A. Attached is an annotated copy of the CDE Library Survey for use as a worksheet in preparation for completing the online survey (see Attachment A).
 - B. To complete the survey:
 1. The CDE Library Survey page can be reached by going directly to <https://www.cde.ca.gov/ci/cr/lb/schlsurvwelcompag.asp> or by going to the Quick Links section of the Integrated Library and Textbook Support Services website (<http://www.iltss.org>).
 2. Scroll to **Start Survey Here** link (scroll towards bottom of page).
 3. After clicking on **Start Survey Here**, the Logon page will appear.

5. For questions 9, 26, 28, 30, 37, 43, 48, 50 and 61, additional directions are included (in **red** text) in Attachment A. These directions are *not* included in the online survey.
6. If an entry cannot be deciphered by the database, you will be prompted to go on or to correct the entry.
7. Each school has a record in the database. First select the county (**Los Angeles**). Next, select the district (**Los Angeles Unified School District**). Finally, select the name of your school. Schools are listed by their full names.
8. When requested to enter a password, enter the following case and space sensitive phrase: **@YourLibrary**.
9. Click on **Logon**. Question 1 should appear.
10. Answers are recorded when you use either the **Next** or **Submit** buttons. Do not use your browser's **Back** button. The online version shows only one question per screen.
11. At the end of the survey, you must select the **Submit** button to complete your survey.
12. Upon completion of the survey, print the summary of your answers.

II. COMPLETION OF SURVEY IF YOUR SCHOOL LIBRARY SERVES MORE THAN ONE SCHOOL ON A CAMPUS

- A. Complete the entire survey for your primary location.
- B. For all the other schools, select: **No, we used a library on an adjacent school campus.**
- C. Enter the name of the school site library used in the box provided.
- D. You should be taken directly to the end of the survey.
- E. Complete these steps for all co-located campuses to link them to the original survey data. You do not need to re-enter data for each school separately. *All schools must complete the survey.*

TIMELINE: The survey must be completed online by Thursday, **May 31, 2018**. A copy should be retained for the school library's files and a copy given to the principal. You may return to the survey at any time to make changes before **June 15, 2018**.
