

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

TITLE: Certification of Instructional Materials Sufficiency,
Elementary Schools

NUMBER: REF-6312.4

ISSUER: Frances Gipson, Ph.D., Chief Academic Officer
Division of Instruction

Esther Sinofsky, Ph.D., Administrative Coordinator
Integrated Library and Textbook Support Services

DATE: August 10, 2018

PURPOSE: To provide instructions regarding certification of textbook/instructional materials sufficiency.

MAJOR CHANGES: This Reference Guide replaces REF-6312.3 titled *Certification of Instructional Materials Sufficiency, Elementary Schools*, dated August 16, 2017, to provide a timeline and updates/changes made to both the *Principal's* and *Teacher's Portals* for certification of *Williams* sufficiency.

BACKGROUND: California Education Code requires that each student, including English Learners and those in special day classes, have a State-adopted, standards-based textbook/application for use in the defined subject areas of English/reading/language arts, history-social science, mathematics, science, and health. Students must be assigned a single textbook/application in each subject that they can use both at home and in class. District policy does not allow the use of State textbook funding for the purchase of class sets in addition to the books issued directly to the student.

- TIMELINES:**
- Teacher Certification submissions are due to principals by **Monday** of the **third week** of instruction via the Teacher's Portal.
 - Principal Certification of Textbook Sufficiency submissions are due by **Thursday** of the **third week** of instruction via the Principal's Portal.
 - Local District Superintendents must return the Local District Superintendent Textbook Certification Form to ILTSS on or before **Wednesday** of the **fourth week** of instruction.

A detailed timeline and principal's responsibilities checklist have been provided to assist principals and Local District administrators (see Attachments E and F).

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

INSTRUCTIONS: In order to document compliance with California Education Code Section 60119, an annual certification of student textbook sufficiency is required of all teachers, principals, and Local District Superintendents regardless of decile level.

A. The role of the school principal is to:

1. Ensure teachers have access to the *Teacher's Portal* and the step-by-step instructions to access the portal (see Attachment A):
<https://teacherportal.lausd.net/>
2. Ensure teachers have **complete** Full Option Science System (FOSS) kits before certifying sufficient in Science. For a list the inventory needed to complete the FOSS kits, please visit <http://iltss.org/williams.php>.
3. Ensure substitute teachers certify using an online form that will be monitored and updated by Integrated Library & Textbook Support Services (ILTSS) (<http://bit.ly/lausdsubs>). See Attachment C.
4. Compare final master program with current textbook/application inventory by course enrollment two weeks prior to the first day of instruction to ensure sufficient supplies of student textbooks/applications.
5. Print the appropriate District Adopted/District Approved Instructional Materials Lists from the ILTSS website (<http://www.iltss.org> under *Williams Sufficiency*) to assist teachers in identifying any missing or insufficient instructional materials. Additional components such as teacher's editions and ancillary materials are not mandated for sufficiency.
6. Distribute the appropriate list, together with the step-by-step procedure to access the *Teacher Certification of Textbook Sufficiency* portal (see Attachment A; instructions are also available on the ILTSS website <http://www.iltss.org> under *Williams Sufficiency*) to teachers on the first day of instruction for the new school year.
7. Ensure the teachers use the online *Certification of Textbook Sufficiency* by **Monday** of the **third week** of instruction. These certifications are subject to audit so principals must export the data and maintain a file for at least two years.
8. Resolve verified insufficiencies *before* completing the *Principal Certification of Textbook Sufficiency* online (see Attachment B).
 - a. Investigate possible on-site resources to determine, for example, if books are in storage and not yet distributed.
 - b. Investigate the possibility of transferring unassigned books from another school.
 - c. Any teacher who declared insufficiencies that have been resolved must login to the *Teacher's Portal* and resubmit indicating sufficiency.

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

9. Submit *Principal Certification of Textbook Sufficiency* via the Principal's Portal (<http://principalportal.lausd.net/>) by **Thursday** of the **third week** of instruction.
 10. Send an electronic copy of the completed online *Teacher Certification of Textbook Sufficiency* file to your Local District by **Thursday** of the **third week** of instruction. For principals that oversee multiple cost centers, an electronic file must be submitted for each cost center (e.g. magnet centers, bilingual/dual language, small schools).
 11. If there are unresolved insufficiencies, be prepared to explain at the public hearing before the Board of Education, the reasons for the insufficiencies.
 12. Principals of schools with insufficient instructional materials must communicate to community stakeholders the reasons why there are insufficiencies, the percentage of students who are without textbooks or materials, and what action is being taken to remedy the insufficiency.
- B. The role of the Teacher is to:
1. Verify that each student has the required core instructional materials.
 2. Notify the principal immediately of any insufficiencies.
 3. Complete the online Teacher's Certification of Textbook sufficiency by **Monday** of the **third week** of instruction.
- C. The role of the Local District Superintendent is to:
1. Review each school's *Teacher Certification of Textbook Sufficiency* submissions and *Principal Certification of Textbook Sufficiency* submissions for insufficiencies and maintain a file of all the forms for two years.
 2. Send the *Local District Superintendent Certification of Textbook Sufficiency* form (see Attachment D) to Integrated Library and Textbook Support Services (ILTSS) on or before **Wednesday** of the **fourth week** of instruction, via school mail or fax.
 3. Ensure all textbook orders are submitted in a timely manner.

LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

Should any school be certified insufficient at the 8th week of instruction, that school will be announced at the public hearing. The certification of insufficiency announcement will include the percentage of students without textbooks or materials and the action being taken to remedy the insufficiencies. The Local District Superintendent and the principal will explain the reason for the insufficiency to the Board of Education.
